Decisions										
3	Committee decided that they wished to pursue the Corral Centre project and will explore several avenues which may include – hiring a consultant, involving the press and returning to Rick Borotsik’s office. Walter suggested (and volunteered to look after) that information on this project also be sent to Barrier Free Manitoba for their advocacy assistance. Questions surfaced surrounding the cost of modifications as well. Unsure at this time.	Ken Don John Walter								
Motions										
1	No errors or omissions from April meeting notes or today’s agenda item noted. Agenda approved.	Don

4	Committee is unclear as to whether representation from the Canadian Paraplegic Association (CPA) would be attending the meetings, were under the impression a representative would be there for todays meeting. Requires follow up to confirm	Dayle								
Information										
1	Welcome to our new Committee member – Lorna Cowan from Senior for Seniors! Members did a quick round table of introductions!	All								
2	<p>We’ve been experiencing several mechanical issues related to the lifts on the Handi buses, it is fortunate that our trip requests are down for the summer months as we’ve been one bus short (at times 2 buses short) for the past 4 to 6 weeks.</p> <p>Plans are underway for a celebration/unveiling for our new 11 accessible buses schedule to arrive this fall. Will keep the committee posted as plans develop but expect a big deal as several levels of government are involved! Looking potentially at the week of Thanksgiving in October as parliament does not sit that week.</p> <p>Statistics – for your information!</p> <table data-bbox="196 1457 1307 1528"> <tr> <td colspan="2">Trips provided:</td> <td colspan="2">Total Passengers:</td> </tr> <tr> <td>2009 – 9691</td> <td>2010 – 9749</td> <td>2009 – 11252</td> <td>2010 - 11627</td> </tr> </table>	Trips provided:		Total Passengers:		2009 – 9691	2010 – 9749	2009 – 11252	2010 - 11627	Carla
